 4. The Executive may issue a Notice of Impeachment by unanimous vote of the Executive Members, excluding the Executive Member who is the subject of the notice.
 5. Any Executive Member who has been given a Notice of Impeachment shall have the right to defend themselves at an Executive Meeting. If unable to attend, the aforementioned Member shall appoint a student to act as a proxy for the duration of the impeachment meeting.
 6. Fourteen (14) days' written notice must be given to all Executive Members prior to an impeachment meeting.
 7. An Executive Member subject to a Notice of Impeachment shall be removed from the Executive and lose any privileges associated with being an Executive Member in the event of the following:

5. Any CSSA Member may be a candidate for any position defined in Article VII, §2, provided that they meet all requirements and a valid nomination form has been submitted in writing to the Chief Elections Officer by the established deadline. If no CSSA Members present candidacy for a position, any EECS student may be a candidate for that position, subject to the same requirements as a CSSA Member, excluding the CSSA Membership requirement.

6. Candidates shall:

(i) Attend the all-candidates meeting prior to the start of the campaigning period. 12. The vote shall be made by secret ballot.
13. All CSSA Members shall be entitled to one (1) vote.
14. Voting shall allow Members to select a candidate, abstain, or cast a vote of no confidence. In order to be elected, a candidate must obtain the majority of votes. If there is only one (1) candidate running for a position, a yes/no vote shall be held. In order to be elected, a candidate must obtain at least fifty percent plus one (50% + 1) of yes votes.

Computer Science Student Association Sub-Association Registration Form (Annex A)

This Agreement hereby serves as a formal acknowledgement of the conferral of the status of “Sub-Association” upon the undersigned organization (“Sub-Association”) by the Computer Science Student Association (“CSSA”). This recognition is contingent upon the formal inclusion of the Sub-Association as an entity in the University of Ottawa Students’ Union’s (“UOSU”) [Club List](#) and stipulated by the [Student Groups Status Policy](#).

This Agreement is subject to the Sub-Association providing a complete list of its members (“Member List”), a representative visual identifier (“Display Image”), and a 250-word maximum description of the organization in both French and English (“Description and Mission Statement”) that shall be attached as annexures to this Agreement. The absence of these annexures will render this Agreement void and of no effect.

Additionally, the Sub-Association is obligated to duly execute a Sub-Association Contract as stipulated by the CSSA. The absence of a signed Sub-Association Contract shall render this Agreement null and void.

By signing this Agreement, the Sub-Association acknowledges and consents to the aforementioned terms and conditions. The Sub-Association also warrants that it has the authority to commit to these obligations and will be held responsible for any breaches thereof.

In witness whereof, the Sub-Association, through its authorized representative, executes this Agreement as of the date first below written.

Computer Science Student Association Sub-Association Contract (Annex B)

This Agreement outlines the roles and responsibilities between the Computer Science Student Association (“CSSA”) and (the) _____ / (le/la) _____ (“Sub-Association”).

The Sub-Association shall adhere to the principles, values, and vision of the CSSA in all its activities and public representations. Any deviation from this commitment can be deemed a breach of this Agreement.

Prior to signing the Sub-Association Contract and no later than May 31st, the Sub-Association must deliver a complete list of its members (“Member List”) alongside an annual presentation, or written report, to the CSSA. The annual presentation or written report shall outline the Sub-Association’s planned activities for the upcoming year, relevant forecasted budget(s), and present a detailed roadmap for implementing these plans.

The CSSA commits to providing financial support to the Sub-Association in an amount up to a maximum of \$ _____ (CAD) monthly and/or \$ _____ (CAD) per term cycle (May through April), to be determined at the CSSA’s discretion. This financial support must be used in the benefit of the University of Ottawa’s (“uOttawa”) students and may be provided via reimbursement of Sub-Association expenses or direct deposit to the Sub-Association’s bank account. Additionally, the CSSA’s Vice President of Finance (“VP Finance”) shall be entitled to access the Sub-Association’s budget(s) and financial statements regarding CSSA funding at any time, either through shared documents or upon request.

Should the Sub-Association cancel an event for which the CSSA has already provided funding, the Sub-Association must return the unspent portion of these funds to the CSSA within fourteen (14) days of the cancellation. If the CSSA provides sufficient justification that the Sub-Association’s event(s) do(es) not meet the CSSA’s quality standards, particularly if the Sub-Association failed to uphold financial transparency or deliberately misrepresented the scope of an event, the CSSA may revoke funding for the rest of the term cycle (May through April) and/or demand that the Sub-Association return previously distributed funds.

Every calendar month, at least one authorized representative of the Sub-Association (“Sub-Association Representative”), preferably the Vice President of Finance or a similar position within the organization, shall attend a scheduled CSSA meeting (“Monthly Meeting”). The precise date for the Monthly Meeting will be communicated by the CSSA’s Vice President of External Affairs (“VP External”) or Vice President of Executive Affairs (“VP Exec Affairs”) with at least fourteen (14) days notice. At any such meeting, the attending Sub-Association Representative shall provide a comprehensive outline of the Sub-Association’s planned uOttawa events, projected expenses, and may request reimbursements for the previous month and/or funding for the following month(s). The CSSA’s VP Finance shall process these reimbursement requests within thirty (30) calendar days of their submission. If the Sub-Association has no such updates, they may be excused from the Monthly Meeting, provided they notify the CSSA’s VP External at least twenty-four (24) hours in advance.

In addition to financial support, the CSSA shall promote the Sub-Association to both students and external sponsors. The CSSA’s VP External shall include the Sub-Association’s Display Image, Description and Mission Statement, and contact information in the CSSA’s 101 Week Sponsorship Package to facilitate connections with prospective sponsors.

Both the CSSA and Sub-Association shall not disclose, disseminate, or use any information acquired as part of this Agreement for any purpose other than those expressly stipulated and necessary to fulfill obligations under this Agreement.

Any disputes arising from this Agreement shall be resolved through the following three-step process: (i) initial negotiation between the CSSA and the Sub-Association, (ii) mediation by a neutral third party, mutually selected by the CSSA and the Sub-Association, and, if unresolved, (iii) the matter shall be escalated to the University of Ottawa Students’ Union (“UOSU”) for a final decision.

Either the CSSA or the Sub-Association may choose to terminate this Agreement at their discretion. The termination shall take effect fourteen (14) days from its communication.

By signing this Agreement, the undersigned acknowledge and agree to these terms until the end of the term cycle (May through April). Failure to comply with these terms may result in the termination of this Agreement and associated benefits.
